RE: Fee Change

### **Please note the following fee change will become effective on June 12<sup>th</sup> 2014**

All Regularly recorded documents will now be \$72 for the first page and \$1 for each additional page. No distinction is made for real estate related vs. non-real estate related.

#### Exceptions:

- Deeds of Trust \$73 for the first page and \$1 for each additional page.
- All normally exempted documents such as Appointment of Successor Trustee, Assignment of Deed of Trust, Death Certificate, etc. will remain at the current fee.
- All State, County, and Municipal Liens (and associated releases) will be \$32 for the first page and \$1 for each additional page.

This is a state wide change and will be consistent through all counties.
